AT THE COURT HOUSE!

A REFORM IN THE CITY OFFICES!

The Electors of the city of Milwaukee, opposed
to the corrupt convention nominations of Saturday
and in favor of REFORM AND REFORM
in our City Government, are invited to meet, in
Mass CONVENTION, at the Court House, this (Monday)
morning, at 10 o'clock, to nominate candidates for City Officers, and to recommend a suit-
able candidate for County Judge. COME ONE!
COME ALL!

MILWAUKEE, Monday, April 6th.

Vote for Edward V. Whiton!

Whatever other candidates may be supported,
as opposed to us, no man who loves liberty,
hates oppression and respects an honest,
upright, able and independent Judge, fail to
cast his vote for

EDWARD V. WHITON

as Chief Justice of the Supreme Court of this
State!

ARE YOUR BALLOTS READY?

Have the Republicans of the several Wards
taken the proper steps to procure a full supply of
BALLOTS, with the name of Edward V. Whiton
for Chief Justice, to use at the polls to-morrow.
If not, attend to this indispensable business to-
day, or neglect may cost Chief Justice
Whiton five hundred votes in our city. He
ought not to lose one!

The Election To-morrow.

Our charter election, for City and Ward Of-
ficers, comes off to-morrow. The times and places
of holding the polls, the qualifications for electors,
and the directions as to ballots, will be
found elsewhere in this morning's paper. It
bothers every citizen to vote at all elections, and
those who neglect to exercise their right of suffi-
frage have no business to complain if things do
not go to their satisfaction. The name of can-
didates nominated for the different places have
been from time to time, published in our paper,
and we will give full information to-morrow.
We advise our readers to scan the list closely and
vote for those candidates whose success will best pro-
mote the interests and protect the credit of the
city.A sectional Democratic Convention, on Sat-
urday, nominated a party ticket for all the City
Offices, as well as a party candidate for County
Judge.Some of the nominees are unexceptionable,
while others are so obnoxious and the mem-
ber of their nomination so offensive to the large
minority of the convention that they *scared* on
the spot and have called, with many other citi-
zens, a Mass Meeting, independent of party, at
the Court House this morning, to get up a
ticket. If wise and courageous friends par-
ticipate at this meeting, there is hope that it will
result in good.

The News and its Friends Convention.

Our expense of the so-called Convention
which nominated Mr. McARMOUR for Circuit
Judge and of the deliberate and repeated efforts
of the News in regard to it, seems to have
touched the official organ on the quick. But in-
stead of frankly acknowledging the fraud and
treachery of their nomination to have been
done, they have called, with many other citi-
zens, a Mass Meeting, independent of party, at
the Court House this morning, to get up a
ticket. If wise and courageous friends par-
ticipate at this meeting, there is hope that it will
result in good.

McARMOUR with "cavilously detraction," unman-
ly, ungraciously and unmerciful attack," the Re-
publicans and their friends do not make out
any case to sustain the charge.DEATH OF A RICE PLANTER.—George W.
Johnson, one of the largest sugar planters of the
Mississippi, born New Orleans, died recently,
leaving an estate valued at \$7,000,000.He is by will, manumitted all his slaves, 1,200 in
number, for which he has long been famous.

ment. But it is a victory more fatal perhaps
than defeat, the forerunner of complete sub-
jection."A FATE DISCOVERY.—Our waggish friend Sam

April 1st, sends us the following notable item:"A Silver Rock was discovered by the Loko
Superior R. R. Surveying party, under engineer

news with you a pocketful of such "rocks."DOLLARS AND CENTS IN CANADA.—The Com-
mittee have passed an act, providing that
